How to join and make the most of the VIP Group, the anti-quitting plan and your 21-day journal.

WALL PILATES · 21-DAY CHALLENGE

Welcome to the VIP Group

Many women quit on their own in week two, when the excitement of the beginning wears off. In the VIP Group you get **daily reminders**, **Q&A** and other women in the same challenge cheering you on until day 21.

How the group works

When	What happens
Every morning	A message with the day's workout and a tip
Throughout the day	You check in when you finish your workout
Every Monday	Goal of the week
Every Sunday	Time to share the week's wins
Anytime	Questions about the exercises get answered in the group

How to check in

After your workout, post a message in the group like this:

✅ **Day 5 done! Energy: 8/10. Today I felt: my legs firmer in the bridge.**

That's it. No photo needed, no long text. Checking in is a commitment to yourself.

Group rules

- Always be respectful: nobody here judges bodies, ages or pace.
- No selling, chain messages or ads.
- Specific health questions should go to your doctor.
- Share photos only if you want to. No one is required to.

The anti-quitting plan

1. **Never miss two days in a row.** Missed a day? That's normal. What matters is coming back the next day.
2. **On a bad day, do the Emergency Workout** (below). Three minutes count.
3. **Tell the group when you're feeling down.** You'll be surprised by the support.
4. **Look back, not just forward.** Compare your measurements and photos to day 1, not your body to someone else's.
5. **Work out at the same time each day.** What's scheduled gets done.

Emergency Workout · 3 minutes

1	Lateral breathing against the wall	30 seconds
2	Wall slide squat	45 seconds
3	Wall push-up	45 seconds
4	Bridge with feet on the wall	45 seconds
5	Legs up the wall	15 seconds

Done? Check in as usual: a day done is a day done.

Your measurements

Measurement	Day 1	Day 11	Day 21
Waist (at belly-button level)			
Hips (widest part)			
Arm (mid-upper arm)			
Thigh (mid-thigh)			
Weight			

Day 1 photos

Take one photo from the front and one from the side, in the same clothes and the same light. Repeat on day 21. Photos show changes the everyday mirror hides.

A letter to yourself on day 21

Write today, on day 1, why you started. Read it again on day 21.

- [ ] I started because...
- [ ] On day 21 I want to feel...
- [ ] When I feel like quitting, I'll remember that...
